MARIETTA DAILY LEADER

WEDNESDAY, AUGUST 5, 1896

PERSONAL AND LOCAL.

—Jacob Ludwig, who has been in this city for the past 12 years, left Monday night for Germany, his home.

—A horse belonging to Joseph Young, and being driven by his son, took fright Tuesday evening and ran down Front street at a terrific pace. Its headlong career was stopped when it fell to the pavement and the driver pitched out of the buggy on top of the prostrate animal. No particular damage was done.

—Charles Cisler has been bound over to Court by 'Squire Gayton on the charge of assault and battery, alleged to have been committed on C. Wesley Kaneff.

—Leidecker's Tool Works will shut down today to allow the employees to attend the circus.

—The funeral of Mr. Levi Jones, who died of bowel trouble at Vincent on Monday, will be held today. Mr. Jones was about 65 years of age and one of the best known farmers in the west end of the county.

—Mrs. John Shrodes and Mrs. Zimmerman, West Side, left Tuesday for the Coolville camp grounds.

—The Barlow M. E. Church circuit social will meet at the parsonage Aug. 13th. Dinner at 2 o'clock. All invited.

—The stray cow on Montgomery street, noted in Tuesday's Leader, proved to belong to Wm. Blohm, and was recovered by that gentleman yesterday.

—Supt. E. K. Barnes, of Belpre, will lecture tomorrow, Thursday, evening, at the High School building at 8 o'clock. The subject of Professor Barnes' lecture will be "Twelve Hours in a Sunless World, or a Visit to Mammoth Cave." The lecture is spoken of in high terms of praise, and should be generally attended.

—Mrs. M. J. Hurton, who has been visiting her mother, Mrs. Hardy, for the past month, left yesterday for Chicago where she and her husband will spend two years in Moody's Institute.

—Will. Lerrington, of Archersfork, will be the guest of his grandmother, Mrs. Hardy, during the Institute.

—Michael Schafer, who lived here up to a year or two ago, and who was well known in this city and county, died at his home on his farm near Parkersburg, Tuesday morning, the 4th, at 3 o'clock. Mr. Schafer's ailment was rheumatism, and he had been a sufferer with that complaint for several years. The funeral will occur today, Wednesday, at 3 o'clock, at Parkersburg.

—The Rev. Jonathan G. Smith will leave on Friday of this week for Twinsburg, Summit county, to remain several days visiting friends. Twinsburg is Mr. Smith's native town, and a family re-union will be enjoyed by his folks.

—Mrs. M. P. Wells, Mrs. H. B. Shipman, Mrs. Sala Bosworth and Mrs. E. C. Dawes will leave today for Stony Creek, Connecticut and other points, to be gone about two months.

—Mr. L. A. Magruder, of Columbus, passed through Marietta a day or two ago, on his way to Yankeeburg, to visit his folks. Mr. Magruder has hung out his sign in Columbus, and is a full-fledged attorney. We predict large success for him.

—Charles Warren was arrested Monday under the shanty-boat law and was sentenced to ten days imprisonment by 'Squire B. E. Guyton. The new law provides that every owner of a shantyboat who does not pay the State tax of \$10 per year is subject to a fine of not less than \$25 nor more than \$100, or to imprisonment not exceeding 90 days, or both.

—Mary Prior, who was arrested for criminal libel on complaint of Ida Knisht, was discharged by 'Squire Guyton, the evidence not being sufficient to warrant binding her over to court.

—A Parkersburg special says: Manager H. M. Rogers, of the Sistersville team, declares he will not play to-morrow unless Parkersburg declares today's game no game; and placed in the Register man's hands tonight a challenge for \$500 that he can defeat Parkersburg with the same team on neutral grounds. You and Your Grandfather
Are removed from each other by a span of many years. He traveled in a slow going stage-coach while you take the lightning express or the electric car. When he was sick he was treated by old fashioned methods and given old-fashioned medicines, but you demand modern ideas in medicine as well as in every thing else. Hood's Sarsaparilla is the medicine of to-day. It is prepared by modern methods and its preparations are brought the skill and knowledge of modern science. Hood's Sarsaparilla acts promptly upon the blood and by making pure, rich blood it cures disease and establishes good health.

Two for Cambridge.
The Mariettas came home Tuesday evening, having received their second defeat at the hands of the Cambridge club by a score of 8 to 3. The Cambridge aggregation is composed of a stiff lot of ball players and the little city is justly proud of them.

Dramatic News, August 1st.
"Indianapolis, Ind. The John Robinson-Franklin Bros. circus visited this city the 20th. The entertainment was one of the best of the kind seen in this city, and everything was strictly first class and up to date."

Physicians and Clergymen.
The question of accepting or demanding a fee for medical service rendered a clergyman has reached the stage of open discussion in Scotland. Dr. D. Campbell Black, of Glasgow, recently read a paper on the subject before a local medical society, in which he said that, while he believed that poverty and suffering would never appeal in vain to the worthy disciple of Hippocrates, he distinctly failed to see why, "because a man is a clergyman, he is entitled to sponge, particularly on a young and poor practitioner of medicine."

A Word of Approval.
"I intended this poem merely as a pot-boiler," said the young man, in lofty explanation.
"That's a good idea. Take it right home and let your folks start the fire with it." —Washington Star.

AN OPEN LETTER

From a Government Official—Interesting Testimony from the Department of Secretary of State for Michigan.

Mr. A. P. Gale is at present engaged in the Department of Secretary of State, and is well known in Flint, Mich., as his home is at Atlas P. O. near that city. The following letter, written by Mr. Gale, will interest many readers:

"GENTLEMEN:—For over ten years, for more or less of the time, I have been a sufferer from kidney trouble, and at times have been so bad as to be unable to lie in bed at night on account of the very severe pain across the small of my back, and for the past two years I have been rapidly growing worse, until I became discouraged, and felt that unless I could get some help soon my chances for life were pretty slim. The urine was very highly colored, and at times deposited a red sediment. This continued until it was almost impossible for me to perform my work in the office, while at times I was compelled to quit work entirely. This condition lasted until about a month ago, when I saw your advertisement of Doan's Kidney Pills, and concluded to try them, though without much faith of receiving any benefit, but, to my great surprise, before I had taken half a dozen doses I felt so much relief that I began to be encouraged; and now, after using six boxes, I am sure that they will do just what you claim for them. I have also recommended them to friends in the office with me who complained as I did, and they claim the same results from them that I have experienced. I was afraid of them at first for fear they would act as a purgative, but I had no trouble of that kind from the use of them. Doan's Kidney Pills have benefited me so much that I feel very grateful to you.
(Signed.) A. P. GALE."
Doan's Kidney Pills are for sale by all dealers, price 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—DOAN'S—and take no other.

Through the St. Louis Tornado.

Here is an illustration of the way the wind handled things during the big St. Louis tornado. This bicycle,

owned in East St. Louis, was struck by three barrels of syrup, a tierce of lard and one barrel of vinegar. Absolutely the only uninjured parts are the saddle and the Morgan & Wright quick-repair tires, which were full of air when the machine was found. Even if these tires had been punctured, unless severely torn, any one of the holes could have been repaired by the quick-repair device in them, without trouble. Riders of these tires, when they have a puncture, need only be careful to pump as much air as possible into the tire before inserting the quick-repair tool. The repair can be made in two minutes, at the roadside, without taking the tire off the rim.
